CHARLEROI MUNICIPAL BUILDING IS PLANNED

Council Authorizes Purchase of Fallowfield Avenue Site

HAVE BUSY SESSION

Ordinances and Various Petitions Occupy Much Time of City Dads

Action was taken by council at their regular meeting Tuesday night that will result in all probability in the erection of a municipal building on Fallowfield avenue between Third and Fourth streets. An ordinance was passed by council authorizing the borough solicitor, treasurer and other borough officers to purchase lots No. 471 and 473 on Fallowfield avenue from Fannie Gelb. The price will be \$5,100 and this sum will be secured by a four-months loan, which was authorized by a resolution passed by council. With the acquisition of the property it is expected that plan will be gotten under way for the erection of a fine municipal building. The site is between the Sphar and Leonard livery barns. Promptly the lockup building and the borough building proper will be sold.

Several ordinances were passed. One which passed first, second and third reading fixed the millage at 11 mills, as decided upon at a previous meeting. Another was a grade ordinance for sidewalks on the west side of Meadow avenue between Second and Third streets. An ordinance which passed final reading was one providing for the opening and reopening of paved streets when repairs are to be made or sewers opened.

Matters pertaining to lights occupied the attention of council. Upon request of J. M. Fleming it was decided to place a light at the corner of Peach alley and Long alley. A light was ordered to be placed on Lincoln avenue between First and Second streets, and also one was ordered to be placed on Crest avenue in front of the high school building.

A number of requests and petitions were entered and acted upon. North Charleroi borough sent up a representative to ask that Street Commissioner Jacob Hornell be permitted to sweep the streets of North Charleroi borough occasionally using the Charleroi borough equipment. The request was granted and Street Commissioner Hornell was instructed to turn in his bills to North Charleroi.

The Macbeth-Evans Glass company asked for a fire plug at their factory, and council placed the matter in the hands of the fire, water and light committee to investigate.

A petition for the opening of Crest avenue from Twelfth to Thirteenth streets and asking for the installation of a sewer there was received and placed in the hands of Borough Engineer Harvey Brown to investigate.

Property owners of property on the east side of Lincoln avenue between Seventh and Eighth streets presented to council a petition asking for the right to build a wall and to lay a narrow sidewalk above the wall, was received. Council placed the matter in the hands of the street

Treasury In Good Shape

School Board Meets And Hears Reports—Tax Collections Good

At the meeting of the school board at the high school building Tuesday evening the report of Treasurer R. H. Rush for the month of February was received. The balance from the last report was \$26,044.02 and the receipts were \$1,172.12 making a total of \$27,216.14. The disbursements for the month were \$8,837.41 leaving a balance of \$28,378.73 in the treasury. The tax collections reported by Tax Collector J. W. Mathias during the month of February for 1910, 1911, 1912 and 1913, were \$1,259.98 for school purposes and \$59.55 for building in the aggregate. Various matters were discussed by the directors.

RAILROAD APPEALS GRANTED

Court Permits Re-Hearing of Cases From Monongahela Valley

CONCERNS EMPLOYES

G. M. Smith, an engineer, and Vincent Zarelli, a conductor, employed on the Monongahela division of the P. V. & C. railroad have taken an appeal in court against fines and costs imposed on them by Monongahela officials on the charge of obstructing street crossings with their train. The two were arrested and taken before Alderman J. B. McAllister, and each was fined \$15 and costs. This was paid under protest, and an appeal to court taken.

These two make a total of four trainmen who have taken appeals to court for fines and costs imposed by Monongahela officials. The arrests grew out of the strike troubles on the division, it is said, and the trainmen claim that the Monongahela officials are acting in sympathy with the friends of the strikers in making the arrests, which are said to be for the purpose of harassing the road. Two more trainmen at West Brownsville, H. M. Sacks, a conductor and C. E. Nelson, a brakeman, who had been arrested Tuesday on a charge of blockading a crossing, also took an appeal to court on fines and costs imposed on them by Burgess J. W. Lane of West Brownsville. The trainmen also charge illegal imprisonment, as they were locked up and kept until they posted a forfeit.

RAILROAD TO BUILD Y. M. C. A. AT NEWELL

Plans Formulated by P. & L. E. For Construction of Building to be Used by Their Employees

In order to provide a place of rest and recreation for their trainmen and other employees at Newell, the officials of the Pittsburgh and Lake Erie Railroad company have decided to establish a branch of the Y. M. C. A. at that point and build and equip a first-class club house. After the shakeup some time ago when a number of trainmen were discharged for drinking and frequenting saloons and clubs, the question of a proper and suitable place for the men to congregate while off duty came up. It was shown that there was no available

place but the saloons and clubs, and the railroad at once proceeded to take steps to supply the deficiency.

Definite plans are not yet announced, but it is said that the work of providing the club house will be rushed through at once to completion in the shortest possible time. It is proposed to equip a first-class reading room and other rooms where legitimate games and amusement can be carried on. It is also stated that bath rooms and other conveniences will be provided, and everything possible done to make the men comfortable while off duty.

MAY GET SOME BIG LEAGUE MEN

Charleroi Club President Says There is Possibility of Few Coming Here

SPEAKS OF CONTEST

The Charleroi club in the P. V. & C. may have some men who were tried out by major league clubs, but not many. Here is what President Paul B. Wreath states in response to a question:

"I may have one or two cast-offs from the majors, but generally I do not care to burden my club with players with a string attached that may be pulled from the other end on short notice. What I am after is players who possess the enthusiasm of youth and have natural ability as ball players, and before the season is over, I will have the majors trying to get strings on some of them."

President Wreath has received the signed contract of Harry Moore of Wilkesburg. Moore is a right-handed pitcher, 5 feet 11 inches tall. He weighs 175 pounds. Moore received a tryout last spring with the Omaha, Neb., club of the Western League, but developed a sore arm and was released. He is in good shape this season and from available reports he will land a berth on the club.

Hank O'Day's mail to President Wreath has gone astray somewhere enroute between here, Newark, N. J. and Toledo, Ohio. The mail consists of a dozen signed contracts and records of the men signed. Mr. Wreath hopes to have these shortly.

In a few days the contract will be let for putting the grounds, fences and stands in condition.

All votes for the selection of a title for the Charleroi club must be in the Mail office not later than Wednesday, April 15th. President Wreath states he is an ardent advocate of Woman Suffrage, and believes his scheme of allowing the fair sex to give their individual ideas of an appropriate nickname for the base ball team is a good one. The lucky one to choose the name will be presented with a season pass to all games played at home by the team. Mr. Wreath is meeting with good success in disposing of his season tickets.

FREE MAN JOHNSON IS OUT FOR ASSEMBLY

Charleroi Man Announces His Candidacy for Nomination on the Washington Party Ticket

Freeman Johnson announces his candidacy as a Representative in the General Assembly of Pennsylvania subject to the rules of the Washington Party.

Mr. Johnson is a member of Division 85 Amalgamated Association of Street and Electrical Railway Employees of America, having served one year as executive board member of that organization. He also served 3 terms as President of the Monongahela Valley Central Trades Council, an organization of which he is at present an active member.

Mr. Johnson being a candidate from the ranks of organized labor and always believing in consistency favors the Initiative, Referendum and Recall and Recall of Judicial Decisions, Workmen's Compensation Act, Employers' Liability, Better Child Labor and Women's Labor Laws, Minimum Wage Laws for Women and Child Labor.

He feels that it is time that the liquor question should be eliminated from politics and not be allowed to overshadow every other issue that is in the interest of the people, and believe that the passage of a Local Option Bill is the best way to get it out of politics. He favors the enactment into law of all measures that will put the government of this state where it belongs—in the hands of the people.

JUNIOR HIGH SCHOOL ENTERTAINMENT GIVEN

Shower For Bride-Elect

Frances Willard Class Gives Surprise in Honor of Miss Blanche Frye

The regular meeting of the Frances Willard class of the Methodist Episcopal Sunday school was held at the home of Miss Blanche Frye Tuesday evening. As a surprise to Miss Frye, whose wedding to Harrison D. Mason will be an event of the near future her classmates came prepared to make her a wedding gown. A beautiful gown of white crepe paper was made and Miss Frye was attired in it. A shower bouquet made of paper roses and lilies of the valley was artistically arranged on a bread toaster and was presented to Miss Frye. After the young ladies had donned kitchen caps and aprons a large wash tub, containing gifts from the girls was carried into the room. Each gift was labeled with a card and many of them had comical verses attached which were read by Miss Frye. To the strains of a wedding march the party marched through the spacious Frye home to the attic where Miss Frye had on display the contents of her "hope chest." Upon returning to the dining room the guests found a sumptuous lunch awaiting them. Miss Frye was the recipient of many beautiful and useful gifts.

Reception and Musical Are Features Tuesday Evening

PROGRAM IS RENDERED

Glee Club and Special Numbers Are Presented at High School Auditorium

One of the most interesting of the school entertainments thus far this year was that given Tuesday evening by the junior high school. The entertainment took the form of a musical and reception at the young people, aided by the teachers made the occasion a most auspicious event.

The opening was with a musical given at 8 o'clock in the high school auditorium. A program of much excellence was presented under the direction of Prof. I. T. Daniel, with Miss Frances Correr, a music instructor in the junior high school assisting. The program consisted of selections by the Mozart Glee club of boys and the Schumann Glee club of girls. Choral numbers by the high school orchestra, a reading and a piano solo.

The high school orchestra opened the program with a selection that well rendered and much enjoyed. Following that the Mozart Glee club sang two songs, "On the March" and "Medley of American Patriotic Airs." S. T. Paul, their work was effective and received much applause.

The Schumann Glee club sang, "Mord Blossom," Pestalozza and "Sery Rhyme Suite" Cuntance, winning their auditors by their excellence of singing and careful observance of technique. A girls semi-chorus consisting of nine girls sang "Croon, Croon," Richard and "The Nightingale's Complaint," Venegas, thereby won marked applause. Miss Alice Calvert was the soloist in the latter song and having a sweet, pronounced voice handled well the parts. The combined glee clubs sang what was really one of the most enjoyable numbers of the evening, "Sister's Life," by Sullivan. The high school orchestra rendered two selections in concluding the program.

The piano soloist was Miss Cl. Guests. Her programmed number was "Silver Spring," Mason, and played so well that she was forced to respond to an eagerly demanded encore. Miss Guest displayed much talent in her piano work, and her renditions were among the most enjoyed on the entire program. Miss Ruth Swickey was the reader of the entire program, but upheld that part of the performance in good style with her recitation "The Bear Story." Spirit and vigor were put into this product of the famous Hoosier poet, James Whitcomb Riley by Miss Swickey. Her efforts were greeted with enthusiastic applause.

Following the musical, those present were invited to the high school gymnasium. There awaiting the guests were junior high school pupils and some of their teachers to receive and to assist the people in having a good time.

LOCAL BASEBALL.
In the absence of the Church League
this season local fans are promised
professional baseball of the class D
quality. Those who remember Char-
leroi's experience in the P. O. M.
League some years ago will also re-
call that the fans were treated to a
quality of baseball that ultimately
proved too fast for their pocket-book.
The games were all that could be de-
sired from a spectacular point of
view, but the local financial patron-
age was insufficient to maintain the
pace. This experience should not be
forgotten by the fans during the com-
ing season.
Although the Charleroi profession-
al team is promoted and backed by
outside interests in order to fill out a
league circuit, it will still require lo-
cal patronage to keep it going. A
good ball team is always a live wire
in any community, and this enterprise
promises for Charleroi a series of
games of the quality of the old P. O.
M. League, which were fast enough to
meet the approbation of the average
fan. While they do not have the star
players, the most of their games will
match in quality those of the nation-
al leagues, who are constantly draw-
ing upon the minor leagues for re-
cruits. It will be recalled that one
of Charleroi's pitchers in the P.
O. M. League days was one of the
leaders of the National League last
season, and that one or two other
present big league stars also gradu-
ated from the local team.
As a business proposition this new
venture calls for all the support and
encouragement that can be given it.
The games will be a drawing propo-
sition and an advertisement for the
town. Everybody likes baseball, and
all should lend their aid in promoting
and helping along this new project.

committee and the borough engineer.
George Newton was present asking
that the Charleroi Skating rink asso-
ciation be exonerated from paying
their license as an amusement place,
for thereason that the rink was not
doing any business. His request was
granted.
Superintendent William Darby of
the Tri-Cities Water company pre-
sented a request that the water com-
pany be permitted to lay a five foot
sidewalk on McKean avenue in front
of their filtration plant south of First
street. The ordinance committee was
instructed to investigate concerning
the legality of permitting such a
sidewalk to be laid and to report.
Concerning the placing of two
fountains which the borough possess-
es, council instructed the proper
committee to locate them. One of
the locations will be on Fifth street
probably in front of the First Na-
tional bank.
An agreement was reached by coun-
cil and property holders that had as
conclusion of arrangements in the
meeting Tuesday night, for the lay-
ing of sewers across certain prop-
erties at Crest avenue and Third street.
The idea is to lay sewers through
these properties to reach other prop-
erties unavailable through any other
route.
Council ordered a number of bills
paid and received reports of some of
the borough officers. The report
of Burgess S. L. Woodward showed
an enrichment of the borough treas-
ury to a considerable extent through
the medium of his office. He report-
ed that during March there had been
made 68 arrests, with \$162 being as-
sessed in fines and costs. Of this
sum \$151 was paid, the remainder
being served out in time.

"I had a horse sprain his shoulder by pulling, and he was so lame he could not carry foot at all. I got a bottle of your Liniment and put it on four times, and in three days he showed no lameness at all, and made a thirty mile trip besides."—Walter B. Alvord, Le Salto, Cal.

For Splint and Thrush
"I have used Sloan's Liniment on a fine mare for splint and cured her. This makes the third horse I've cured. Have recommended it to my neighbors for thrush and they say it is fine. I find it the best Liniment I ever used. I keep on hand your Sure Cough Cure for myself and neighbors, and I can certainly recommend it for Cough."—S. E. Smith, McDonough, Ga.

MEANT VACATION FOR MOTHER

Her Idea of Relaxation and Complete Change Was Entirely Within Her Own Mind.

Mrs. Emberson did all the cooking, washing, mending and other housework for her family of five. Among her other duties was the making and baking of five loaves of bread three times a week, for Mr. Emberson and the growing children had hearty appetites.

At last Mrs. Emberson decided she must have a vacation.

"I feel," she told her husband, "that if I had to stand up to that bread-board and make one more batch of bread I should drop dead. I've got to have a change."

Mr. Emberson was more than willing. He had often urged her to take a rest. It was decided that she should pack up that very day and go to visit her younger sister in Kansas.

"Now, Laura," said Mrs. Emberson, as soon as she had got into a loose house dress and dropped into an easy chair, "I've come to rest and visit. I don't want you ever to ask me what I want to eat, or expect me to turn my hand to help with a thing. I'm sick and tired of housework, and I don't want even to hear it mentioned."

"All right," said Laura, laughing, "you can depend on me. I've always wanted you to rest and let somebody else take the work and worry for a little while."

At dinner the second day Mrs. Emberson said to her brother-in-law, "John, do you like baker's bread?"

"No," confessed John, "we don't any of us like it, but Laura has so much to do that I insist on buying the bread."

Two weeks later, when Mrs. Emberson returned home, her husband was delighted to see how fresh and rested she looked. Nevertheless, he tried to speak severely:

"Now see here, Martha, I thought you went for a rest and change. Laura wrote that you had been baking bread for them ever since you got there. I'd like to know what change there was in that."

"O," and Mrs. Emberson laughed happily, "it was a change of bread-boards!"—Youth's Companion.

Forgotten Part of the Bible.

There is one merit which it is generally admitted that the Apocryphal books possess. For sacred books they are unusually interesting. I know that by some they have been condemned as sanguinary, fantastic, worldly, and too similar to profane literature. It may be that it is these very qualities that have made them so attractive to dramatists, musicians and artists such as Raphael and Alston. Not improbably it was these very traits that led so many painters to employ their skill in portraying Susanna at the Bath, Judith slaying Holofernes, Jeremiah prophesying in the presence of Baruch; and that incited Handel to select the career of Judea's greatest warrior, Judas Maccabeus, as the theme of one of his most glorious oratorios. There are no parts of the Apocrypha more pointedly secular than are certain parts of the canonical Old Testament, such as the books of Esther, Canticles, and the older portions of Ecclesiastics.—Rev. James T. Bixby, in Harper's Magazine.

Gribbling.

They have coined a new word in England, and that word is "gribbling." The word has taken its rise from the writings of Francis Gribble, an English author, who spends most of his time in writing up the love affairs of distinguished persons, and especially of those love affairs that were more or less sordid, or ended unhappily. Mr. Gribble is, indeed, an expert at this sort of thing. He does it much better than anybody else; much better, by far, than Richard Le Gallienne even did it. For one thing, Mr. Gribble has a passion, or what appears to be a passion, for the truth in these matters, and if we must have love episodes written up, it is far better that they should be written up truthfully than that they should be written up falsely. But we cannot avoid feeling that gribbling is a mistake when it becomes the main passion of a man's life, as it is in the case of Francis Gribble.

Remarkable Gift.

"A sense of humor is a fine possession. With some men, however, it goes to extremes—to ghastly extremes."

The scene was the Economic club's dinner in New York. The speaker, Mayor Hunt of Cincinnati, continued: "I used to know in Horace Annesley a man with this excessive sense of humor. Horace said to me one morning, with a ghastly laugh:

"I've got the greatest joke to tell you!"

"Well, what is it?" said I.

"You know," said Horace, "that I was examined and passed for life insurance last week? Well—ha, ha, ha!—I've been to consult a specialist this morning and he tells me I've got an incurable disease. He gives me just one year. Ha, ha, ha!"

To Be Rigidly Exact.

Regstaff—I hear you are doing some writing for one of the popular magazines.

Percolium—That's slightly exaggerated; I haven't been able to get my stuff into any but the—er—unpopular ones yet.

WESTMINSTER GUILD HOLDS GOOD MEETING

The Westminster Guild of the Washington Avenue Presbyterian church at a meeting held at the home of Miss Marguerite Whitlatch on Lincoln avenue, Tuesday evening, took up the study of "The Foreigner in Our Midst" and installed officers for the ensuing year.

In the study of the foreigner, points taken up included matters pertaining to their home life, the great change in their lives from their location in their new homes here, and the subject of how they may be helped. The discussion was led by Miss Stella McDowell, who was assisted by Misses Helen Power, Ethel Kendrick, Sophia Michener and Minnie Elliott. Miss Emma Clutter and Miss Mamie Rockwell sang a duet.

Officers installed for the new year were: President, Miss Elizabeth Elliott; vice president, Miss Mamie Rockwell; secretary, Miss Elma Collins; pianist, Miss Sophia Michener; treasurer, Miss Estelle Baudoux.

The new book that will be studied the coming year will be "Life of Mrs. Judson, under the title of "Ann of Ava." The evening's program was closed by a social hour during which refreshments were served.

LOCAL COMPANY TO BUILD PLANT

Continued from page 1.

of a three story plant ten minutes walk out Lincoln avenue extension. The contract for the building will be awarded as soon as matters can be put in shape.

The plant, under the capable management of M. S. Meus, is now located in a one story building at 231 McKean avenue. Cut glass ware comprises the entire output. Every employee is a specialist in his line. With the erection of the new plant, 40 men will be employed.

The company is a new one that located in Charleroi about two years ago. The demand for their ware grew rapidly. No local trade is supplied. Products, while confined to the one general specialty of cut glass ware, include lighting ware, table ware and tumblers. The plant is one of the important smaller industries of Charleroi that indicates indications of a continuous steady growth.

30,000 VOICES

And Many Are The Voices of Charleroi People.

Thirty thousand voices—What a grand chorus! And that's the number of American men and women, who are publicly praising Doan's Kidney Pills for relief from backache, kidney and bladder ills. They say it to friends. They tell it in the home papers, Charleroi people are in this chorus.

Here's a Charleroi case. Mrs. M. E. Richards, 301 Seventh street, Charleroi, Pa., says: "For years I had attacks of kidney disease. Just a short time ago I was suffering from severe pains in my back that often shot up and down my spine and into my head. I also had chills and spots flicked before my eyes. I was very nervous and could not work. I tried me out. I used one box of Doan's Kidney Pills and they drove the attack away. Doan's Kidney Pills have never failed to give me prompt relief when I have taken them. I still have a high opinion of Doan's Kidney Pills."

Price, 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Richards had. Foster-McBarr Co., Props., Buffalo, N. Y.
